08  Manic Depression

1. Verse  Manic depression is touching my soul
          I know what I want but I, I just don’t know
          How to, go about gettin’ it
          Feeling, sweet feeling
          Drops from my fingers, fingers
          Manic depression is a-catchin’ my soul
          Yeah

2. Verse  Woman so weary, the sweet cause in vain
          You make love, you break love
          It’s all the same
          When it’s, when it’s over
          Music, sweet music
          I wish I could caress, caress, caress
          Manic depression is a frustrating mess
          Oo, ow!

Interlude  Do, do, do, do, do, do

Solo

3. Verse  Well, I think I’ll go turn myself off
          And go on down
          All the way down
          Really ain’t no use in me hanging around
          In your kinda scene
          Music, sweet music
          I wish I could caress and a-kiss, kiss
          Manic depression is a frustrating mess
          Oh, ah!
          Dig. Ow!

Outro  Music, sweet music, sweet music
       Yeah!
       Do, oo, oo
