

ALEKS Student Registration Instructions Handout

Before you begin, you will need:

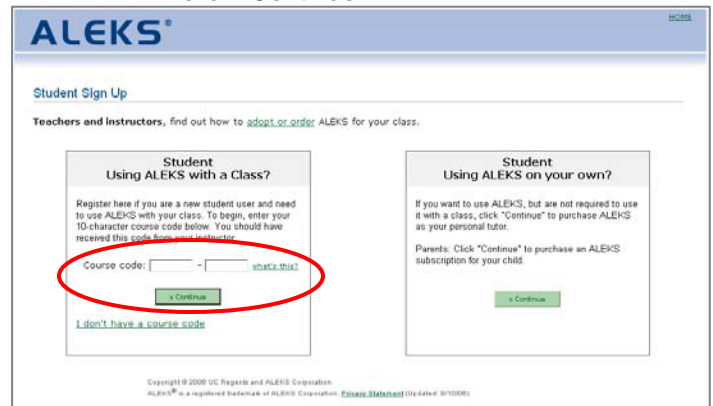

- A 10-Digit Course Code provided by your instructor.
- A 20-Digit Access Code packaged with your textbook *or purchased during registration.*

Step 1: Go to the **ALEKS** website for Higher Education Math by typing in the following address: <http://www.aleks.com> on your web browser.

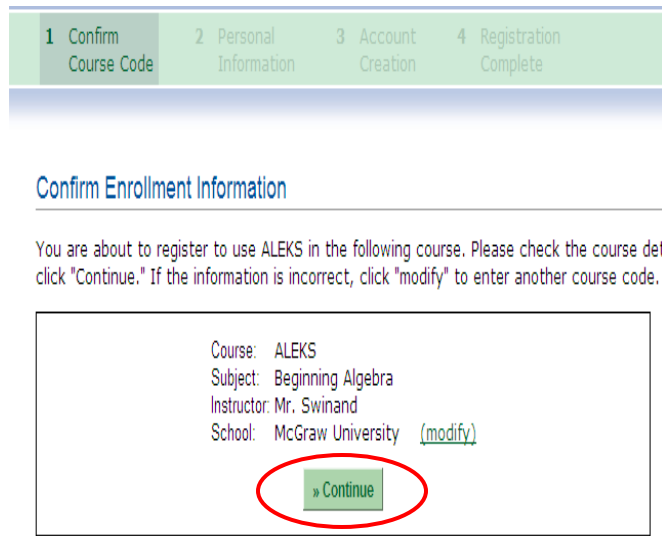

Step 2: Click on “SIGN UP NOW!”

Step 3: Enter your 10-digit “Course Code” AND click “Continue.”

Step 4: Confirm Course Information and Click “Continue.”

Step 5: Enter your 20-digit Access Code – Packaged with your textbook or purchased by clicking on the link above the four access code boxes AND “Continue.”

**Students who don't buy a bundle do not need to have the access code before starting; they can purchase it online during registration.*

Enter Your Access Code

If you have a 20-character access code, enter it below. You will find it on the inside of the back cover of your ALEKS User's Guide.

If you do not have an access code, you can [purchase an access code online](#). If you have already purchased an access code online, you can find the code on the receipt that was e-mailed to you.

Step 6: Enter Your Personal Information Read the Agreement, click in the checkbox, and click “Continue.”

The screenshot shows the ALEKS registration process. At the top, there is a progress bar with four steps: 1. Confirm Course Selection, 2. Personal Information, 3. Account Creation, and 4. Registration Complete. The current step is 'Enter Your Personal Information'. Below this, there are fields for 'First Name', 'Initial', and 'Last Name'. There is also an optional section for 'E-mail address' and 'Student ID#'. A section titled 'Review and Accept ALEKS Terms of Service' contains the 'ALEKS User Agreement' text and a checkbox for 'I have read and agree to the terms of the ALEKS User Agreement.' The 'Continue' button is circled in red.

Step 7: Account Creation, **Write Down Your Login and Password**, click “Continue.”

The screenshot shows the 'Account Creation' confirmation page. It states 'An ALEKS account has been created for you. Here is your login name and password.' A box displays the 'Login Name: SSUKHAN3' and 'Password: WALLEAF'. Below this, it says 'Please write this information down. You will need it to access ALEKS.' There is an optional section for 'Change Your Password' with fields for 'New Password' and 'Retype New Password'. The 'Continue' button is circled in red.

Step 8: Registration Complete. Click “Continue.”

Registration Complete

Thank you. You are now registered to use ALEKS. If you provided us with an e-mail address, we will send you a confirmation of your ALEKS login name and password.

ALEKS Plug-in Detection

We will now check your computer to see if you have the ALEKS plug-in. [\(what's this?\)](#)

» Continue

Step 9: Checking for Plug-ins. When the installation is complete, please be sure to close all of your browser windows and then restart your browser.

Looking for ALEKS Plug-in...
