

DEPARTMENTAL MEMO

Physics Department
Kent State University

Date: May 27, 2002

From: Carmen C. Almasan
Assistant to the Chair

To: Faculty & Students Named in Following Table

Subject: **Summer 2002 Graduate Student Assignments: ISSUE I**

Below is *Issue I* of the graduate student teaching assignments for Summer 2002. This summer we are assigning two or three students to each lab. The students with an asterisk (*) after his/her name has primary responsibility for conducting the lab and reporting the grades to Prof. Manley. If you have questions about this arrangement please talk to me or Prof. Manley.

Please let me know ASAP of any conflicts you might have or changes you may wish to make to these assignments. The latest version of the assignments along with previous assignments are available at <http://www.personal.kent.edu/~calmasan/gsa.html>.
