

MyFinanceLab Student Registration

Dear Student:

Your instructor is requiring or recommending MyFinanceLab, an online companion to your textbook, for this course. To access MyFinanceLab, you will need to complete a one-time registration process, after which you'll be able to access the site for the rest of the semester.

If you purchased a new textbook, it may have come with a Student Access Kit that contains a code you can use to register. If you do not have a Student Access Kit, you can purchase access online with a major credit card.

To register for your instructor's course, you will need to have the following information on hand:

- ✓ The author and title of your textbook
- ✓ Your MyFinanceLab Student Access Kit if you have one
- ✓ Your school's Zip code
- ✓ A valid email address where you can receive your registration confirmation

To register or purchase access:

- Go to www.myfinancelab.com/, click on "Register," and follow the simple online instructions—you'll either "Register with an Access Code" using your Student Access Kit or "Purchase Access" with a major credit card.
- After you have registered, you will be ready to log in to MyFinanceLab.

To log in and begin using MyFinanceLab:

- Go to www.myfinancelab.com and enter the login name and password you created during registration.
- The first time you log in to MyFinanceLab, you will have the option of enrolling in your instructor's course or studying on your own. If your instructor has set up a course, select "Enroll in my instructor's course" and choose your school, instructor, and course name from the drop-down menus. If your instructor has not set up a course, select "Choose a textbook to study in" and choose your book from the drop-down menu.
