Student Commitment and Learning

In the space below please write any comments on these or other aspects of your commitment and learning such as your interest , desire to learn, or motivation.

-I really enjoyed this class and professor and she really motivated me when I went to office hours.

-I love how you did the quizzes and tests.

-This has been one of the most interesting subjects I've ever had the pleasure of learning.

-For me, learning about language development in children was really awesome.

-I was very motivated and you made learning fun and interesting.

-☺

-I liked how the course was set up. I was really able to demonstrate what I learned.

-Review days were great and effective in my opinion.

-I really enjoyed the set up of this course.

-I felt like there were things I did not need to learn.

-Teacher makes me motivated to learn.

-Loved the class!

-Bad jokes.

-I could have done more class preparation before the quizzes.

-Interest in the class was high. Motivation was high, class was engaging.

-I really enjoyed the way quizzes were set up.

-Try relating the material more to special education.

Course Organization

In the space below please write any comments on these or other aspects of organization, such as syllabus, textbook, websites, discussion, participation in small group projects, or workload.

-The discussion in class and office hours were very engaging.

-I love how you did the quizzes and tests.

-You are very well thought out and organized and are very passionate and it shows.

-Had to pay for quiz software but it worked nicely.

-Did not like that I had to pay for the tophat, but it worked. The way quizzes are laid out and the exam questions were well made.

-I really like the use of tophat because it allowed for quick feedback.

-😊

-I have never done as good one exams as I did in this course; very well!

-The quizzes worked much better when we had them on Thursdays.

-I loved her teaching style.

-I did not use the textbook at all during this class.

I barely used the textbook and I paid for it.

-Be a little more lenient about make up quizzes if there is a good excuse.

-Make more sub sections on blackboard (ie tests, quizzes, corrections, etc) so there isn't so much craziness (Discussion Board)

-Loved the class format!

-enjoyed tophat.

-I liked how quizzes could exempt you from exams.

-Keep quiz days on Thursdays! 😊

- Quizzes were worded a little confusing most of the time and usually pretty hard.
- Everything was organized very well and anytime something changed Dr. Roche gave us more than enough notice.
- Never used the book and paid \$80.
- The textbook was never used.
- Bad jokes.
- Only sometimes I felt the quizzes were difficult based on what we were told to study, but answers were always fixed so it was fair.
- Textbook was a little diy but lectures made up for it!
- Book sucked!

Evaluation Practices

In the space below please write any comments on these or other aspects of course evaluation such as assignments, exams, juries, papers, peer evaluations, portfolios.

- The “assignments” were useful.
- I wish there were more outside projects. I learn best through research papers and homework.
- Liked being exempt from quizzes.
- Received grades back quickly.
- I do not like that the structure of quizzes was changed.
- 😊
- Jenny gave great feedback on quizzes and chances to get most points back.
- Loved having the quizzes on Tuesdays allowed me to remember my material.
- Course work was great. Learned from quizzes 😊
- The weekly quizzes helped motivate me to pay more attention to the lectures and to come to class.

-I liked how the test came from the quiz.

-I liked how we were able to be exempt from exams.

-Bad jokes.

-Quizzes were challenging and educational I liked the top hat quiz format.

-Loved that we could be exempt from every test.

Instructor Characteristics

In the space below please write any comments on these or other aspects of the instructor, such as preparedness, delivery, communication or professionalism.

-The professor definitely motivated me to think instead of giving the answers to the questions.

-Professor was awesome! She built an amazing rapport with us, and made the class interesting and fun. Utter excitement about the subject was contagious and made learning it easy and entertaining.

-You're passion for language really comes through and it really made the class awesome! And you're hot. 😊

-She was very willing to help us learn and learn with us. She would help us with any difficulties in or out of class. Very encouraging and supportive.

-Lectures are good, except when she talks a bit fast.

-😊

-Jenny was one of my favorite instructors.

-😊

-Very available and respectful! 😊

-Always trying to make sure we succeeded.

-Wonderful professor! She knows her stuff and has a great style of learning.

-You're amazing.

- Teacher excited to teach, refreshing.
- One of the best professors I've ever had at Kent in 4 years!
- Made us students think more abstract than we thought.
- The more the course had to do w/ what we were doing in the future the more we understood. The last section was the most understandable.
- Very helpful and nice professor. Cares about students!
- Explained things so well, easy to follow along.
- There are reasons other than a religious holiday that require you to miss a quiz. You should be able to make up the points. Not happy about that.
- ...still had bad jokes.
- Dr. Roche loved teaching every lesson and shows great respect and fairness for her students!
- engaging instructor, prepared and professional.
- Was always prepared for class.
- Best professor I have ever had.

Physical Facilities, Equipment and Technology

In the space below please write any comments about physical facilities or use of equipment and technology.

- I liked the tophat clicker, I wish every professor would use.
- The powerpoints were set up great! So easy to take notes!
- 😊
- Better over head needed.
- Not a fan of talking quizzes on my phone.

-Awesome class! ☺

-Tech ok

-I like tophat and wish I could use it for all of my classes.

-I don't like the classroom. Seating was inconvenient.

-Didn't like tophat.

-bad jokes.

-Tophat was good.

Summary Question

In the space below please write any overall comments about this course or instructor not covered above.

-I really enjoyed this professor. She seemed very motivated and excited about the subject which allowed me to be engaged and attentive in the subject.

-Awesome! Awesome! Awesome! I absolutely LOVED this class. I really want to take Professor Roche's Neural Processes class just so I can have her again! ☺

-Dr. Roche is a fantastic professor. Never lose her.

-She was the only teacher I have ever had that would research to help us for our major. When ever we had a question directed to special ed, she would research it and come back with an answer the next class.

-Allayna was also a great grad assistant as she too is knowledgeable and demonstrates understanding of knowledge and helps relate information when there was need for repair. ☺
You are a great teacher and you told me I was smart. It is something that has truly motivated me, thank you for that.

-I think more time needs to be allowed for quizzes.

-☺

-I really enjoyed this class!

-GREAT!!!

- Not relative to special edu.
- Great class!
- Great professor!
- I learned more than I thought I could/would.
- I really ended up liking how this class was set up.
- You're amazing!!
- I really like Dr. Roche. She is a great teacher and really helped me learn.
- Course was fantastic!! Really enjoyed it!
- More relevant to our major would be nice time management! I enjoyed you a lot! Good work bro
- Did not like the way the quizzes were. No time to study because you gave a quiz immediately after lecture. Overall liked the class.
- Great class. Very informative.
- Dr. Roche was amazing and I hope I have her as a professor in the future.
- Really did not like this class.
- Didn't like the quiz set up. Missed 10 pts. over something I cannot control.
- I didn't take full advantage of quizzes but I think that every teacher should follow in her footsteps.
- I thought the class was well organized and that she truly cared about my learning.
- You should have brought your dogs in.
- Bad jokes.
- Enjoyed the course.
- Amazing class, nothing bad to say.
