

What is “the inexhaustible bounty of the sea”?

Who was Hugo Grotius?

Mare Libero – international law

How the system works?

10,000 years ago – HUNTERS

- gathering animals (sheep, cow, chicken)
- intelligent management (buffalo extinction)
- rice, wheat, maize selection

2,000 years ago – ocean hunters

- Emptying the ocean
  - boats
  - nets
  - preservation of the catch
  - sonar

**Before you know it, the fish are gone!**
