

OhioLINK DMS Survey of Cataloging Expertise

OhioLINK's Database Management and Standards (DMS) committee is surveying OhioLINK libraries to create an inventory of cataloging expertise within OhioLINK's libraries. By sharing the results of this survey behind the OStaff login we hope to facilitate cooperative cataloging initiatives within OhioLINK.

DMS is seeking information about specific types of cataloging expertise. We want to find out which libraries have or need expertise in languages, formats, subjects and technologies. These needs are often sporadic or occasional. We also want to discover which libraries are willing to share, barter or contract for that expertise. The creation of a directory from these survey results will allow libraries to seek assistance from each other under circumstances that they will be able to negotiate individually.

Please fill out the following by checking in the appropriate boxes and providing text as requested. If you are unsure or don't know about your institution's expertise for a specific area then please leave the boxes blank for that area. Institutions that wish to not be included in the directory are asked to complete the survey and select the opt-out button at the end.

Language Expertise

What types of language expertise are you confident your technical services unit is capable of performing? What types do you find you need assistance with? Please check in the appropriate cells below to indicate the ways you could cooperate with OhioLINK libraries. If you are including more than one language in a family use other boxes at the bottom. Please also indicate family.

| Language Family | HAVE | | | NEED | | |
|--|------|----------------------------|---------------------------------|------|----------------------------------|-----------------------------------|
| | Have | Willing to Share or Barter | Willing to do on Contract Basis | Need | Usually Need Complete Cataloging | Usually Need only Transliteration |
| Romance Languages (specify): | | | | | | |
| CJK (specify): | | | | | | |
| Slavic (Cyrillic) Languages (specify): | | | | | | |
| Arabic Languages (specify): | | | | | | |
| African Languages (specify): | | | | | | |
| Indic Languages (specify): | | | | | | |
| Greek | | | | | | |
| Nordic Languages (specify): | | | | | | |
| Other Family and Language (specify): | | | | | | |

Additional Information about Language Expertise:

Format and Schema Expertise

| Format | HAVE | | | NEED |
|--|------|----------------------------|---------------------------------|------|
| | Have | Willing to Share or barter | Willing to do on Contract Basis | Need |
| Print Monographs | | | | |
| eBooks | | | | |
| Electronic Theses and Dissertations | | | | |
| Government Documents | | | | |
| Rare book and Manuscript Cataloging | | | | |
| Finding aids / EADs | | | | |
| Sound Recordings (CDs, LPs, tapes) (specify): | | | | |
| Streaming Audio | | | | |
| Videorecordings (DVD, Video) (specify): | | | | |
| Streaming Video | | | | |
| Other Visual materials (Realia, Pictures, Kits) (specify): | | | | |
| Scores | | | | |
| Print continuing Resources (Journals, Loose-leaves, Classified Serials) (specify): | | | | |
| Electronic Continuing Resources (EJournals, ESerials, Web Sites, Databases) (specify): | | | | |
| Maps (sheet maps, atlases) | | | | |
| Electronic Cartographic Materials | | | | |
| Software | | | | |
| Mixed Materials | | | | |
| LC Classification | | | | |
| DDC Classification | | | | |
| LCSH Subject Analysis | | | | |
| MESH | | | | |
| Subject Schema Other Than LCSH/MESH) | | | | |

| | | | | |
|---|--|--|--|--|
| (specify): | | | | |
| Authority Control Expertise | | | | |
| Series Authority Expertise | | | | |
| Dublin Core Metadata (DC) | | | | |
| Encoded Archival Description Metadata (EAD) | | | | |
| Educational Metadata (IEEE-LOM / SCORM) | | | | |
| Visual Resources Association Core Metadata (CDWA/VRA) | | | | |
| MODS | | | | |
| Other (specify): | | | | |

Additional Information about format and Schema Expertise:

Subject Expertise

Some types of subject expertise are less common in technical services units than others are. Examples might include, but are not limited to, literature, music, law, medicine or some sciences. Are there less common subject areas that your catalogers are confident of working with? What types of subjects do you find you need assistance with? Please fill in the blanks in the first column below and check in the appropriate cells to indicate the ways you could cooperate with OhioLINK libraries.

| | HAVE | | | NEED |
|-------------------|------|----------------------------|---------------------------------|------|
| Subject Expertise | Have | Willing to Share or Barter | Willing to do on Contract Basis | Need |
| Subject: | | | | |
| Subject: | | | | |
| Subject: | | | | |

Additional Information about Subject Expertise:

Technological Expertise

What types of technological expertise are you confident your library is capable of performing? What types do you find you need assistance with? Please fill in the blanks in the first column below and check in the appropriate cells to indicate the ways you could cooperate with OhioLINK libraries.

| Technological Expertise | HAVE | | | NEED |
|--|------|----------------------------|---------------------------------|------|
| | Have | Willing to Share or Barter | Willing to do on Contract Basis | Need |
| Batch Modification of Records | | | | |
| Batch Loading of Records | | | | |
| Automated Authorities Processing | | | | |
| URL Resolvers | | | | |
| Electronic Resource Management (ERM) | | | | |
| Statistics—Collection and Use | | | | |
| Use of Perl Scripts to Customize Reports | | | | |
| Serials Holdings Records | | | | |
| XML Environment | | | | |
| Other (specify:) | | | | |

Additional Information About Technological Expertise:

Experience with OCLC Products and Services

| OCLC Products and Services | HAVE | | | NEED |
|-----------------------------------|------|----------------------------|---------------------------------|------|
| | Have | Willing to Share or Barter | Willing to do on Contract Basis | Need |
| PromptCat Profiling Advice | | | | |
| OCLC Batch Reclamation Experience | | | | |
| OCLC Regular Enhance Experience | | | | |
| CONTENTdm expertise | | | | |
| Other (specify): | | | | |

Additional Information about OCLC Products and Services Expertise:

National Cataloging Participant

Please identify all of the National Cataloging programs you participate in by checking in the appropriate cells below.

| Program | Yes my Institution Participates | No, My Institution Does Not Participate |
|-----------------------|---------------------------------|---|
| NACO | | |
| SACO | | |
| BIBCO | | |
| CONSER | | |
| OCLC Regular Enhance | | |
| OCLC National Enhance | | |

Additional Information about National Cataloging Participation:

Participation in the Project

Institutions that wish to participate in the directory should provide contact information for the individual at their institution who is best able to negotiate cooperative cataloging projects.

| | |
|-------------------|--|
| Name | |
| Title: | |
| Institution: | |
| Email Address: | |
| Telephone Number: | |

Some institutions may prefer to opt-out of this directory. If your institution would prefer not to share any information about your cataloging expertise with other OhioLINK institutions, please check below.

Please do not include any information in the directory about my institution.
