

Table 1. Matching Rubric	
Exact	Term-for-term matches across a keyword string and the entire 6xx heading or its cross-references
All present	All terms are matched, but not in exact order
Needs 2	All terms are matched, but not in a single keyword, LCSH, or cross-reference
Partial	One but not all terms matched
Variant	Variations of terms can be matched
Not matched	Terms do not match in any way
