

Table 3 – Contributions and Findability

Groups / Findability	Number of Contributions	Average Number of Contributions Per Record	Number of Contributions Without Including Abstract	Average Number of Contributions Per Record Without Including Abstract
Cataloger contributions	3,433	36.14	2,607	27.44
Author-supplied application contributions	32,203	338.98	4,727	49.76
Contributions that impact findability	30,200	317.89	5,036	53.01
Contributions that do not impact findability	5,436	57.22	2,298	24.19
Cataloger contributions that impact findability	2,142	22.55	1,621	17.06
Cataloger contributions that do not impact findability	1,291	13.59	986	10.38
Author-supplied application contributions that impact findability	28,058	295.35	3,415	35.95
Author-supplied application contributions that do not impact findability	4,145	43.63	1,312	13.81
All contributions	35,636	375	7,334	77.20
