Additional Skills

I have experience with maintenance of shop equipment including band saw, belt sander, electric kiln, and general shop equipment, as well as knowledge of safe chemical and material handling.

I also have solid computer experience, including a firm understanding of AutoCAD, Rhinoceros, Photoshop, Illustrator and InDesign, as well as strong understanding of Microsoft Office applications including Excel, Access, Word and PowerPoint. I have an intermediate understanding CAD/CAM, rapid-prototyping and using both SLA and Z-printers.
