

Basic Algebra Courses in ALEKS: Open-Lab Hours

Fall 2019: H1 Session (Tuesday, September 4th to Monday, October 14th)

H2 Session (Tuesday, October 15th to Friday, December 6th) - updated

Students who use ALEKS in their math classes may walk-in to any of the open-labs, work in ALEKS, and get help from the instructor who covers the lab.

Sometimes there are changes to this schedule. The latest version is posted in front of the labs.

It can be found online. The link is in ALEKS. Go to **Menu -> Instructor Resources** and click on **ALEKS – general information for students**. Then look for Open-lab schedule.
