

NOTES ABOUT AVS INDEXING DOCUMENT for III

1. This document assumes that the WORD (w) index will simply go away.
2. This document assumes that the KEYWORD (x) index will be replaced by the "NOTE SLICE".
3. This document does not include the following indexes:
 - o OCLC #
 - u Other #
 - i ISBN / ISSN
 - c LC Call #
 - g Government Doc #
 - f Other Call #
 - k Title Key
 - j MESH

Please do not disturb these indexes.

4. The following field and subfields were previously indexed in the WORD (w) index and the KEYWORD (x) index, and will continue to be indexed in the NOTES SLICE:

505	agrt
508	agrt
511	agrt
538	agrt
561	abgrt
752	abcd
753	abc
755	axyz23
773	apst
780	astc
785	astc
787	astc

They are bolded in the attached document.

5. Please note that the subfields in the keyword (x) and word (w) indexes for the 655 field SHOULD include \$v - and they do not. When the new "Note Slice" 655 is built please include \$v. Also \$2 and \$3.
