

Ohio Commons Courseware Task Force

Charge: The Ohio Commons Courseware Task Force will advise OLN on courseware strategies for the next biennium (FY2004-2005). The Task Force will make specific recommendations, including:

- CMS product(s) to license statewide,
- Hosting options to provide to campuses
- Open Source initiatives to mount for institutions to explore
- Integration with other OCDE projects (Institutional Repository, My Learning Space)

Timeline: The Task Force will meet once or twice in Columbus and continue its work @ a distance. Recommendations and an implementation plan are due to the OLN Governing Board on May 15, 2003. Any activities will commence in FY2004.
