Attend Meet the Accountants Night

Over 40 organizations participate in this networking event held from 5:30 - 8:00 p.m., in the Kent Student Center Ballroom. If you have submitted your resume for pre-selection to an employer, it is highly recommended that you introduce yourself to these employers at this event, including offering them an additional copy of your resume and Student Information Form.
### Sept. 23 – 27

**Receive emails indicating employer decisions**

At the end of the pre-selection sign-up period, organizations will review the candidates’ resumes. Candidates will then receive emails from Experience eRecruiting indicating whether you have been *accepted*, *declined*, or *chosen as an alternate* for each organization to which you have applied. To view these employer decisions in the Experience Job Board, go to the **Applications** tab under **Your Active Applications**.

If the employer decision remains undecided after Sept 27, and the employer elected to use open sign-ups (check the internship schedule page in the *trigger dates* box), you will be eligible to schedule an interview beginning Oct. 1.

### Beginning

**Sept. 28**

**Open sign-ups**

All students matching job criteria can sign up for any remaining interview slots not filled through pre-selection. Sign-ups are available until two days prior to each employer's interview date.

**Note:** Not all organizations use open sign-ups. Candidates occasionally withdraw from interview time slots, so be sure to check the interview schedules often.

### Sept. 28

**Obtain interview time slots if Accepted**

Candidates *accepted* for an interview may log into the Experience Job Board to select an interview time slot. To do this, go to the **Applications** tab under **Your Active Applications**. From there, click on **Details** next to the organizations that have *accepted* you. Choose your interview time slot.

Print out your interview schedule by clicking on the **Calendar** tab and then **Your Up-Coming Events**. **Review your schedule to ensure that there are no time conflicts.**

**NOTE:** Candidates are granted interviews on a *first-come, first-serve basis* during this period. As a result, being offered an interview *does not guarantee* a spot on an interview schedule.

### Sept. 30

**Obtain interview time slots if Alternate**

Candidates selected as an *alternate* may log into the Experience Job Board to select an interview time slot. To do this, go to the **Applications** tab under **Your Active Applications**. From there, click on **Details** next to those organizations that have selected you as an alternate. Choose your interview time slot.

Print out your interview schedule by clicking on the **Calendar** tab and then **Your Up-Coming Events**. **Review your schedule to ensure that there are no time conflicts.**

### Oct. 1

All interviews are held in the Career Services Center, 261 Schwartz Center, between the hours of 8:30 a.m. and 4:30 p.m.
